BESPOKE EVENTS

L'ÉCOLE, School of Jewelry Arts

Explaining, sharing and revealing the culture of jewelry.

The mission of L'ÉCOLE, School of Jewelry Arts is to share the culture of jewelry with a large and varied audience, both in France and abroad. By offering hands-on à la carte classes taught by passionate experts, videos and books, talks and exhibitions, L'ÉCOLE welcomes the public to learn about the savoir faire of jewelry-making techniques, the world of precious stones, and the history of jewelry.

L'ÉCOLE was established in 2012 with the support of Van Cleef & Arpels.

Based in Paris and Hong Kong, L'ÉCOLE also travels across the world during its nomadic sessions.

For your team members

Team Building Day **30 employees**

The morning is devoted to the discovery of the professions at the heart of jewelry creation. The group is divided into 3 sub-groups of about ten people, each following a 2h course in parallel: "Trying Out the Jeweler's Techniques" to learn the gestures of a master jeweler, "Discover the Gemstones" to learn about gemology, and "Trying your hand at Japanese Urushi Lacquer" to discover an ancestral craft. This is followed by a lunch in the *Salon Or* organized by one of our caterers. In the afternoon, we put at your disposal the *Salon Blanc* for your business meeting.

Training Session **12 employees**

As part of a training seminar that you organize, your sales teams come to spend 2 hours at L'ÉCOLE, School of Jewelry Arts to acculturate themselves to a world of excellence and discover how to highlight exceptional savoir-faire in a concrete and hands-on way. After an introduction to the world of jewelry and to the creation process of a jewel, your teams will meet with master jewelers and stone-setters for a demonstration of their savoir-faire and an exchange around their professions.

COURSES

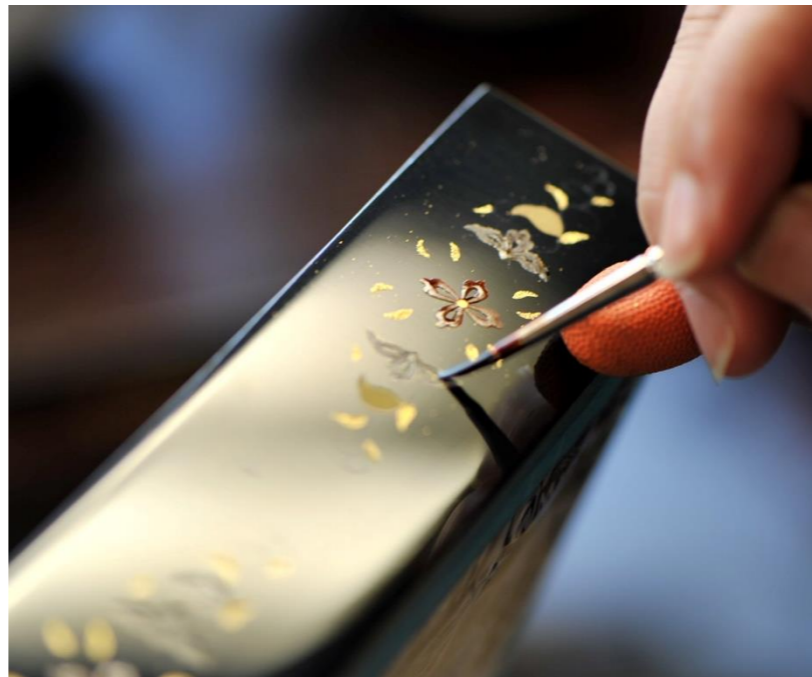

L'ÉCOLE offers some 20 classes in both French or English, arranged around three broad themes: Savoir-Faire, History of Jewelry and the Universe of Gemstones.

The classes are very hands-on and there is no prerequisite of knowledge or skills. Each lasting for 2 to 4 hours, they are given by at least two instructors. Whatever their length, all classes are carefully scripted to keep students on the edge of their seats.

Our teaching team is composed of: jewelers, designers, mockup makers, art historians, gemologists, lacquer craftsmen and enamellers.

These experts have an enthusiasm for sharing their knowledge and have all been trained to be excellent teachers.

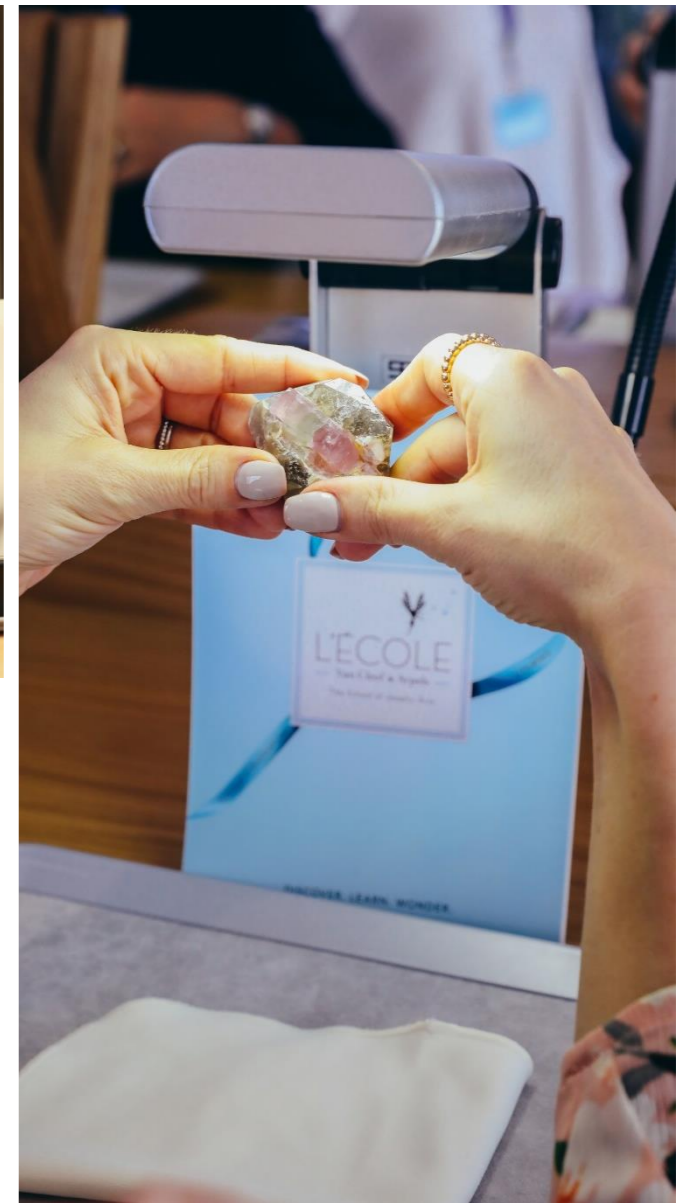

The list of courses is available on request.

EXHIBITIONS

L'ÉCOLE, School of Jewelry Art organizes exhibitions, each time on very different subjects and with a renewed approach. Two exhibitions per year are organized and we can arrange guided tours with our teachers or docents. Privatization is possible in the morning or in the evening when the exhibition is closed to the public.

TALKS

L'ÉCOLE has developed about twenty conference themes that you can privatize. With themes such as "Great Jewelry Collectors", "Marie Antoinette's Jewelry", "Rubies, Art and Science" and many others, our talks are moments of exchange and discovery.

In between our temporary exhibitions, our conference room can accommodate up to 70 people. During temporary exhibitions, we can privatize our talks in the *Salon Or* or *Salon Blanc* which can accommodate up to 35 people.

CATERING

For your events, we work with our partner caterers in order to offer you a service adapted to your specific needs.

Three ranges and different formats are possible for a tailor-made offer.
